### MWC Open Innovation Challenge

Expanding your network, meeting new business partners: that's what MWC is all about. However for tech providers and startups the MWC Open Innovation Challenge offers something extra: *concrete tech challenges corporates/bigger companies are looking partners for!* Interested? Take a look at the [challenges](#) of more than 40 companies. Corporates such as Sony, Oppo, Samsung, Philips, Alstom, AstraZeneca and Ikea.

Participation is easy: register free of cost at <https://mwc2023.b2match.io> and tap the challenges you are interested in. Bigger companies and corporates can also join to scout for and plan meetings with [innovative solution providers](#).

### Matchmaking hours (30 min meetings):

### Huawei tour

Interested in Huawei's latest innovations? Sign up for an invite-only tour at MWC.

The major companies at MWC have their own presentation floors, which are partially public and private. The private section can be visited by invitation only. Exclusively for our NBSO/IQ startup delegation, Huawei Netherlands is offering to take you 'behind the scenes' of the latest innovations Huawei has to offer regarding 5G, IoT and other smart technology. The tour will take place on Tuesday from 11:00-12:00. Interested? Sign up [via this link](#), as we need to provide names in advance due to the strict policy at the door.
